

The BioLight™

The BioLight 3000 is a unique therapeutic system proven effective in the treatment of a multitude of animal ailments and chronic discomforts. The Biolight 3000 has 14 infrared and 16 super luminous visible red diodes that deliver photon therapy light precisely tuned to specific frequencies. Numerous studies have indicated that infrared light stimulates healing enzymes within cellular structures. The device is completely portable and operates on rechargeable batteries.

Price: \$699
